

Targeted Expertise Recruitment & Retention

The TERR program is designed to help employers attract and retain professionals for positions that require specialized skills and experience.

REACH OUT WHEN:

You are looking for candidates
You are trying to recruit a specific candidate
You are working to onboard new people

How can employers find and connect with the people with the right “fit” - with the right skills and experience + interested in being located here in southern Vermont?

TERR can help seek candidates through LinkedIn Recruiter; TERR will feature your company and jobs at dozens of college and career fairs; The SoVermont recruitment-oriented marketing will link your jobs with the region’s quality of life.

TERR welcome materials will help you leverage regional appeal; TERR connects you directly with Young Professional Ambassadors and an extended professional network; TERR will extend a white glove welcome to visiting talent.

How can employers ensure people they recruit and hire make the connections needed to be happy both in their employment and in their life in SoVermont?

TERR makes a personal connection with people to provide professional / social / relocation support; TERR will link talented partners with C-Suite interviews and professional and social networking.
