WHAT IS "FINDING VERMONT"?

Are you curious or want to learn more about the experiences of immigration and resettlement, past and present, in Brattleboro or greater Windham county?

Are you a newcomer from outside the US and want to share your perspective and experiences?

"Finding Vermont" is a collaborative, community-driven research project focused on understanding immigrant and newcomer experiences in Brattleboro/Windham County.

If this sounds exciting, become an interviewee and receive a \$50 gift card.
